

20th Annual Twilight Garden Tour
August 14, 2018
4:00 p.m. – 7:30 p.m.

Program

4:00 p.m. Garden opens. Demonstrations and tastings begin.

4:30 p.m. Welcome & Introductions

Donna Amidon, President, North Country Master Gardener Volunteers
Kevin Schoessow, UW-Extension Area Agriculture Development Agent
Phil Holman, Superintendent, UW-Madison Spooner Agricultural Research Station

Followed by 20 minute concurrent break-out sessions:

- Mike Maddox, UW-Extension Master Gardener Volunteer Program Director
“Garden Tools for More Enjoyable Gardening” Learn about technologies and adaptive tools that reduce the strains and muscle aches that come with gardening”
Location: Under the big yellow tent on the north end of the Teaching & Display Garden.
- Erin Silva, UW-Extension Organic and Sustainable Systems Specialist
“Organic Gardening Practices” Learn the basics of organic production and some of the key practices to growing organic food.
Location: South end of the Teaching & Display Garden.
- Julie Dawson, UW-Extension Urban and Regional Food Systems Specialist
“Bringing Back Flavor into Fresh Market Vegetables” Learn about the Seed to Kitchen Collaborative and how plant breeders, local growers, gardeners and chefs are working together to improve vegetable varieties.
Location: In the Seed to Kitchen plot north of the Teaching & Display Garden.

Repeats every 20 minutes for three presentations and/or walking tours while demonstrations and tastings continue.

7:30 p.m. Event closes, thank you for joining us!

*Don't forget to turn in your evaluation!
