Planting Tips

**You may start the following
indoors..**

Zinnia
Snapdragon
Sweet Peas

**The following like to be
direct in ground after
fear of frost..**

Sunflowers
Gladiolus
Bachelor Buttons

Mulch

**putting down a newspaper
covered with straw between the rows
helps keep the weeds down and holds in
moisture for the plants.**

Vase Life Tricks

**Before heading out to harvest have clean
tools, buckets and vases.
Having a clean vase improves vase life.
Have clean sharp snips.**

**Head out to harvest in the cool of the
day. Morning or late afternoon.**

**Keep bouquet filled with water.
Place flowers away from direct sunlight.
Cut fresh stems when changing water.**
